This is a head to head battle. So this means you will be going against the person that you are battling against. You need to show the judges and the crowd that you can change up your flair and show up the person you are battling against.

Judging

1. The winner of each battle will always be decided at the end of the battle.
2. There will be 3 judges each with a bottle or a shaker (red or Blue piece of card) that will represent one of the competitors
3. Each judge will be focusing on a specific category
 - 3.1. Originality
 - 3.2. Working with the music
 - 3.3. Difficulty
4. Judges will still take into consideration mistakes when they watch your performance. So one move will not win it if you have dropped everything else.
